THE PRECURSOR CHEMICALS ACT, 2010

No. 10 of 2010

ANACT to regulate, supervise and monitor the importation, exportation, manufacture, sale, distribution, use and storage of precursor chemicals and any other chemicals capable of being used for the purpose of the illicit manufacture of controlled drugs or psychotropic substances and for incidental and connected purposes.

ENACTED by the Parliament of Antigua and Barbuda as follows:

1. Short title

This Act may be cited as the Precursor Chemicals Act, 2010 and shall come into operation on a date that the Minister may, by Notice published in the *Gazette*, appoint.

2. Interpretation

In this Act—

“analyst” means a person appointed to be an analyst in accordance with section 7 of the Pesticides and Toxic Chemicals Act, 2008, No. 12 of 2008;

“Board” means the Pesticides and Toxic Chemicals Control Board established by section 3 of the Pesticides and Toxic Chemicals Act, 2008, No. 12 of 2008;

“controlled drug” has the same meaning as that prescribed in the Misuse of Drugs Act, Cap 283;

“exporter” includes the shipper of a precursor chemical and any person performing functions corresponding with those of a shipper;

“importer” includes a person, whether owner, consignee, agent or broker, who is in possession of a precursor chemical which is brought into Antigua and Barbuda or who claims possession, beneficial interest, custody or control of it;

“inspector” means a person appointed to be an inspector in accordance with section 7 of the Pesticides and Toxic Chemicals Act, 2008, No. 12 of 2008;

“licence” means a licence issued to an importer, exporter or manufacturer as prescribed;

“manufacture” means—

- (a) all processes by which psychotropic substances may be obtained, and includes refining;
- (b) the transformation of psychotropic substances into other psychotropic substances; and
- (c) the making of preparations other than those made on prescription in pharmacies;

“manufacturer” means a person who manufactures a precursor chemical for his own use or for the use of others whether for profit or not;

“medical examiner” means a person appointed to be a medical examiner in accordance with section 7 of the Pesticides and Toxic Chemicals Act, 2008, No. 12 of 2008;

“Minister” means the Minister with responsibility for Agriculture;

“permit” means a permit issued to a person who is not an importer, exporter or manufacturer;

“precursor chemical” means any of the substances listed in the Schedules;

“preparation” means—

- (a) any solution or mixture, in whatever physical state, containing one or more psychotropic substances, or
- (b) one or more psychotropic substances in dosage form;

“premises” means buildings or parts of buildings, including the appertaining land;

“psychotropic substance” means any natural or synthetic substance—

- (a) which causes a state of dependence in a person;
- (b) which causes stimulation or depression resulting in hallucinations or disturbances in motor function, thinking, behaviour, perception or mood in the central nervous system of a person; or
- (c) listed in Schedule I, II, III, IV, V or VI; and

“Registrar” means the person designated to be the Registrar of Pesticides and Toxic Chemicals under section 5 of the Pesticides and Toxic Chemicals Act, 2008, No. 12 of 2008.

3. Functions of the Board

(1) The Board shall—

- (a) advise the Minister on matters relevant to the making of regulations under this Act and monitor the implementation of those regulations;
- (b) establish and maintain a system to facilitate the identification of suspicious transactions related to the use, storage, importation, exportation, manufacture, sale or distribution of a precursor chemical;
- (c) establish and maintain a system to monitor trade relating to a precursor chemical;
- (d) determine applications for licences and permits under this Act within fourteen days of receipt of an application for a licence or permit;
- (e) upon receipt of an application or where a person has been granted a licence or permit as the case may be, grant, deny or revoke licences or permits as the Board sees fit and in the manner prescribed; and
- (f) furnish reports to the Minister as the Minister may from time to time require.

(2) Where the Board grants, denies or revokes a licence or a permit to an importer, exporter, manufacturer of or a person who stores or distributes a precursor chemical, the Board shall instruct the Registrar to forward a copy of the Board’s decision in writing to the person who applied for the licence or permit or the person to whom the licence or permit was granted as the case may be.

(3) A decision of the Board made under subsection (2) shall be forwarded by the Registrar within seven days after the date on which the decision was made.

4. The Registrar

The Registrar shall—

- (a) keep and maintain a register of licences and permits granted in relation to, importation, exportation, manufacture, sale and distribution of a precursor chemical as prescribed;
- (b) enter in the register all information prescribed; and
- (c) perform such other duties as may be directed by the Board acting in accordance with this Act.

5. Powers of Inspectors and procedure for entry

(1) An inspector—

- (a) who has reasonable grounds for believing that an offence under this Act has been, is being or is likely to be committed may enter any vehicle, land or premises for the purpose of searching for or confiscating any precursor chemical, preparation or psychotropic substance therein but he shall obtain a Search Warrant in the form prescribed in Schedule VII issued by a Magistrate before entering the vehicle, land or premises;
- (b) when entering any vehicle, land or premises for the purpose of searching for or confiscating any precursor chemical, preparation or psychotropic substance pursuant to paragraph (a) may take a member of the police force to accompany him;
- (c) when entering any vehicle, land or premises for the purpose of searching for or confiscating any precursor chemical, preparation or psychotropic substance pursuant to paragraph (a) may take with him, any person who possesses expert knowledge of the use of precursor chemicals for the manufacture of preparations, controlled drugs or psychotropic substances who is named in the Warrant issued by the Magistrate;
- (d) may require the production of, inspect and examine, and copy records, or other documents kept by a person who holds a licence or permit under this Act;
- (e) may make such examination, inspection, investigation and enquiries as may be necessary to ascertain whether the provisions of this Act are being complied with;
- (f) may require any person whom he finds in a vehicle or on land or premises which were subject to a search under paragraph (a) to give information he may have concerning the owner or occupier thereof or the employer of workers employed to work thereon;

- (g) may question any person whom he finds in a vehicle or on land or premises which were subject to a search under paragraph (a), or whom he has reasonable cause to believe to have been employed thereon within the preceding two months;
- (h) may open and examine any package, in the possession of any person who is not properly authorised to be in possession of same under this Act, that he reasonably believes to contain a precursor chemical;
- (i) may seize and retain for such time as may be necessary, any substance which he reasonably suspects is being held, stored or used in contravention of this Act;
- (j) may take, a sample, where he reasonably believes it is necessary to do so, of any substance where the substance is being sold, used, transported or in storage, and submit the sample to an analyst for analysis or examination; and
- (k) may take, subject to the approval of the Comptroller of Customs, a sample of any substance imported into Antigua and Barbuda but not delivered to the importer and submit the sample to an analyst for analysis and examination.

(2) An application for a Warrant under this section shall be in the form prescribed in Schedule VII.

(3) A Magistrate may grant a warrant in the form prescribed in Schedule VII to search any vehicle, land or premises for any precursor chemical, preparation or psychotropic substance, and to confiscate any precursor chemical, preparation or psychotropic substance, where the Magistrate is satisfied, on evidence upon oath, that there is reasonable cause to believe that an offence under this Act is being committed or is likely to be committed.

(4) Within ten days from the date upon which a warrant under this section was executed, the Inspector to whom the warrant was granted shall return to a Magistrate and submit a written report containing—

- (a) the date and time at which the warrant was executed; and
- (b) a detailed list of any substances confiscated.

(5) For the purposes of subsection (4) an inspector is not required to appear before the same Magistrate who granted the Warrant in respect of which the report is being made.

(6) A person who—

- (a) resists or obstructs an inspector, police officer or any named in a Warrant under subsection (3), in the execution of their duties under this Act;

- (b) conceals a person, or prevents a person from appearing before, or being examined by, an inspector under this section;
- (c) knowingly or recklessly makes a false or misleading statement to an inspector engaged in his duties under this Act; or
- (d) removes, alters or interferes with a sample or substance seized under this section without the authority of an inspector;

commits an offence and is liable on summary conviction to a fine not exceeding \$50,000 or to imprisonment for a term not exceeding 2 years, or to both.

6. Authorisation to deal with precursor chemicals

A person importing, exporting, manufacturing, selling or distributing, storing or using a precursor chemical shall apply for a licence or permit for that purpose in the prescribed manner.

7. Contravention of the Act and penalty

(1) A person who imports, exports, manufactures, sells, distributes, uses or stores a precursor chemical except as prescribed under this Act commits an offence.

(2) A person in possession of a precursor chemical contrary to the provisions of this Act commits an offence.

(3) A person who commits an offence under subsections (1) or (2) or who contravenes any provision of this Act commits an offence and except as is otherwise prescribed, is liable on summary conviction to a fine of \$25,000 or to imprisonment for a term not exceeding 12 months or to both.

8. Restrictions in respect of substances listed in Schedule I

(1) A person shall not —

- (a) use a substance listed in Schedule I for any purpose other than a prescribed medical or scientific purpose or any other prescribed purpose;
- (b) import, export, manufacture, trade or distribute a substance listed in Schedule I unless he has been granted a licence by the Board for that purpose; or
- (c) store or have in his possession a substance listed in Schedule I in excess of a prescribed amount, unless he has been granted a licence by the Board for that purpose.

(2) A person permitted under this Act to use a substance listed in Schedule I shall keep records concerning the acquisition of the substance and the details of its use, for at least two years after the last use of that substance.

(3) A person who contravenes this section commits an offence and is liable on summary conviction to a fine of \$25,000 or to imprisonment for a term not exceeding 12 months or to both.

9. Restrictions in respect of substances listed in Schedules II, III and IV

(1) In relation to a substance listed in Schedules II, III and IV, a person shall not--

- (a) import, export, manufacture or sell that substance unless he has been granted a licence by the Board for that purpose; or
- (b) dispense that substance unless he is a medical practitioner registered to practice in Antigua and Barbuda.

(2) A person who contravenes this section commits an offence and is liable on summary conviction to a fine of \$25,000 or to imprisonment for a term not exceeding 12 months or to both.

10. Restrictions in respect of substances listed in Schedules V and VI

(1) A person who —

- (a) has information regarding any suspicious transaction relating to the order or sale of a substance listed in Schedule V and VI, shall inform the Board in writing or orally, as soon as possible; and
- (b) has reason to believe that the import, export or transit of a substance in Schedule V or Schedule VI is destined for the illicit manufacture of controlled drugs or psychotropic substances shall notify the Board, as soon as possible and furnish the Board, as far as possible, with information as to the means of payment and any other essential elements which led to that belief.

(2) An exporter shall—

- (a) properly label and document a substance listed in Schedules V or VI for export as prescribed;
- (b) where a substance listed in Schedules V or VI is being exported, include and correctly state on all official documents necessary to facilitate the export of that substance, the name of the substance, the quantity being exported and the name and address of the exporter and, when available, the consignee.

(3) An importer shall, where a substance listed in Schedules V or VI is being imported, include and correctly state on all official documents necessary to facilitate the import of that substance, the name of the substance, the quantity being imported and the name and address of the importer and, when available, the consignee.

(4) A person who contravenes this section commits an offence and is liable on summary conviction to a fine of \$25,000 or to imprisonment for a term not exceeding 12 months or to both.

11. Immunity

An inspector, medical examiner, analyst, member of the Board or person named in a Warrant granted under section 5(3), shall not be liable for anything done or omitted in the discharge or purported discharge of any function under, or authorised by or under, this Act unless it is shown that the inspector, medical examiner, analyst or member of the Board acted in bad faith.

12. Appeals

A person who is not satisfied with a decision of the Board with respect to the revocation of a licence or permit, the refusal to grant a licence or permit, or the issue or renewal of a licence or permit may within 60 days of receipt of the decision from the Board, by notice in writing appeal to the High Court against the decision.

13. Regulations

(1) The Minister may make regulations to give effect to the provisions of this Act and in particular, without prejudice to the generality of the foregoing—

- (a) for the control or prohibition of the manufacture, importation, method of packaging, labelling, transportation, advertisement, sale, storage and use of any of the substances listed in the Schedules;
- (b) with respect to the quantities of any of the substances listed in the Schedules which may be imported, exported, sold or manufactured at any given time;
- (c) for the labelling and packaging of any of the substances listed in the Schedules for their importation, exportation or sale;
- (d) outlining the requirements to be satisfied by persons keeping records related to the import, export, sale, storage, manufacture and disposal of any of the substances listed in the Schedules;
- (e) imposing restrictions or conditions as to the purpose for which, the circumstances in which any of the substances listed in the Schedules may be used;

- (f) prescribing the conditions for the manufacture or storage of any of the substances listed in the Schedules;
- (g) prescribing the procedures for the inspection of premises where the substances listed in the Schedules are stored;
- (h) prescribing the procedure for the licensing of or the issue of permits to persons importing, exporting, selling or storing the substances listed in the Schedules;
- (i) prescribing the procedure for and the conditions under which licences may be granted by the Board for the importation, exportation, sale, storage or manufacture of the substances listed in the Schedules;
- (j) prescribing the powers and duties of inspectors and the sampling, seizure, detention and confiscation of substances and the disposal of substances that have been seized or confiscated;
- (k) prescribing the forms and fees necessary for the purposes of this Act;
- (l) prescribing the medical or scientific purposes for which the substances listed in the Schedules may be used; and
- (m) providing exemptions for persons or institutions in medical or scientific fields for their use, storage, manufacture, import and export of the substances listed in the Schedules.

(2) Regulations under this Act may—

- (a) contain such transitional, consequential, incidental or supplementary provisions as appear to the Minister to be necessary or expedient for the purposes of the regulations; and
- (b) create an offence punishable on summary conviction by a fine not exceeding \$25,000 or imprisonment for a term not exceeding 1 year, or both.

(3) The Minister may by Order published in the *Gazette*, amend the substances in Schedules I, II, III, IV, V and VI.
